

Let His Light Shine

Covid-19 Guidelines for In-Person Worship

If you plan on coming to church on Sunday 4th April (or any subsequent Sunday) you must contact the church office or Jeff before 1pm on Thursday in order to register and book a place.

If you are feeling unwell, have symptoms of Covid, have been tested and are awaiting results or have been in contact with anyone who has Covid, please stay at home.

A social distance of 2m must be maintained at all times with those not from your household bubble. We will allocate pews on this basis.

Facemasks must be worn at all times unless you are exempt.

Please wash your hands at home before leaving for church and use the hand sanitiser in the front vestibule of church when you arrive.

A one way system will be operating in church and stewards will be present to direct you to your designated seat/pew;, please follow all directions that you are given.

Our service will continue to be shorter with children staying in church. There will be activity sheets and colouring pages for the children.

Please do not linger in the church buildings afterwards. Move outside directly after the service and remember to maintain 2m social distance.

We are really looking forward to being able to worship together in person, but please do not feel under pressure to attend in-person, we will continue to stream our services live every Sunday.
